

CheckFree Small Business

Small businesses
deserve big ideas
in banking.

Greenwoods State Bank presents CheckFree® Small Business, which offers large-business features adapted to serve small businesses better. CheckFree Small Business is a valuable tool that saves time, money, and increases your profitability.

CheckFree Small Business has an all-in-one dashboard to track invoicing, e-bills, and tiered authority levels so business-owners can delegate financial duties, while still maintaining control of all accounts.

Key Benefits of CheckFree Small Business:

- A one-stop bill payment dashboard
- Industry leading e-bills, connecting businesses to hundreds of billers
- Automatic payment options
- Accounts payable invoicing and include detail with payments
- Tiered authority level
