

Mobiliti Business

Money moves
fast...Mobiliti
Business makes
keeping up with
it even faster!

Mobiliti Business™ goes beyond just the basics of checking balances, completing transfers and reviewing check images. Greenwoods State Bank is able to offer a more comprehensive option with Mobiliti Business.

Features and Benefits Include:

Approve Wire Transfer Requests

Approve ACH Transfer Requests

Utilize Bill Pay Services

Mobiliti Business is a system of business banking solutions built to accelerate and monitor your transactions, so you can attend to more pressing matters.

Intuitive and user-friendly, Mobiliti Business is a hub for your business' financial activity, covering more than just basic business banking on the go. It handles remote deposit capture, bill pay, multiuser entitlements, approvals for ACH, wire transfer, bill pay, and internal transfers.

Mobiliti Business is easily integrated into your everyday financial needs within Business Online™. It's backed by a comprehensive and experienced team that continues to evolve our products and services to meet your needs.
